Travel Domains
Showcase your travel business. Tell your unique story. Attract more travelers to your online destination.
PREMIUM DOMAINS
Stake Your Claim. Rank With Keywords. Connect With Customers.
What Are Premium Domain Names?
Premium domains are usually short, memorable names that are valuable search keywords or meaningful, brandable business identifiers.
They vary in price and availability, depending on the search term and top-level domain.
Put a spotlight on your brand with a name that expands your reach, attracts new customers and is valuable digital real estate.

Who is Donuts, Inc?

Donuts manages the world's largest and most relevant portfolio of new top-level domains, offering individuals and organizations new ways to promote and enhance their true digital identities.

Our TLDs provide a wide variety of clear and meaningful domain names for use as business identifiers (such as .ltd, .company), navigation (such as .careers, .support, or .social), in large vertical markets (such as .photography, .cafe, or .games) or in versatile generics (such as .life, .world or .live).

Problem

The client needed new landing pages for parked domains as well as a new domain search tool that shows releavant domains. Also integrated e-commerce solution for purchasing and registering domains.

Solution

CodeBru set about doing PSD to theme development on Wordpress with Elementor install for easy post editing of the design after it was completed.

Also integrated e-commerce and search based solution based on relevant domain names available for purchase.
